

1099 Contractor Agreement

This 1099 contractor agreement is made and entered into on [Date] by and between **Client:** _____ (Client Company Name) located at _____ (Address) and **Contractor:** _____ (Contractor Name) located at _____ (Address). This agreement shall become effective once both parties have agreed to all terms listed, and have provided their signatures in the spaces provided.

Scope of Work

The contractor is responsible for completing all of the following for [Construction Project Name]:

1. _____
2. _____
3. _____
4. _____
5. _____

Compensation

Upon completion of work, the client shall pay the contractor as follows:

<input type="checkbox"/> \$ _____ / Hour	<input type="checkbox"/> \$ _____ Fixed Project Price	<input type="checkbox"/> Other:
------------------------------------------	-------------------------------------------------------	---------------------------------

The contractor shall receive payment(s):

<input type="checkbox"/> Bi-Weekly	<input type="checkbox"/> Monthly	<input type="checkbox"/> Upon Project Completion	<input type="checkbox"/> Other:
------------------------------------	----------------------------------	--------------------------------------------------	---------------------------------

Expenses

Specify who will be responsible for different expenses related to the project. For example, the contractor must be made aware if they are responsible for providing all materials, equipment, and other expenses.

Term and Termination

Outline the terms of this agreement's termination. This may include grounds for terminating the project either by the client or contractor during various phases of the project, or once the project has been completed.

Confidentiality

Inform the contractor of what information must be kept confidential.

Ownership of Work Product

Describe who will be the sole owner of any completed work, including the materials and any other items that make up the completed project.

Insurance

Specify which insurance the contractor is responsible for obtaining or possessing. For instance construction contractors are often required to carry general liability insurance, workers compensation, and professional liability insurance.

Governing Law

The laws of the state in which this agreement shall be governed.

Taxes

State that the contractor must manage and deduct taxes from any revenue generated throughout the duration of the project. For 1099 contracts, the contractor is responsible for managing and paying taxes on any income earned through this contract. The client shall not withhold any taxes from the contractor's earnings.
